Your Guarantee of Quality
As publishers, we strive to produce every
book to the highest commercial standards.
Whilst endeavouring to retain the original
running order of the recorded album, the book
has been carefully designed to minimise awkward
page turns and to make playing from it a real pleasure.
Particular care has been given to specifying acid-free,
neutral-sized paper made from pulps which
have not been elemental chlorine bleached.
This pulp is from farmed sustainable forests and
was produced with special regard for the environment.
Throughout, the printing and binding have been
planned to ensure a sturdy, attractive publication
which should give years of enjoyment.
If your copy fails to meet our high standards,

HELLO

I don't feel as if I know you
You take up all my time
The days are long and the night will throw you away
'Cause the sun don't shine

Nobody ever mentions the weather
Can make or break your day
Nobody ever seems to remember
Life is a game we play
We live in the shadows and we had the chance and threw it away

And it's never gonna be the same
'Cos the years are falling by the rain
It's never gonna be the same
'Til the light by you comes to my house and says hello

There ain't no sense in feeling lonely
They got no faith in you
But I've got a feeling you still owe me
So wipe the shit from your shoes

Nobody ever mentions the weather
Can make or break your day
Nobody ever seems to remember
Life is a game we play
We live in the shadows and we had the chance and threw it away

And it's never gonna be the same
'Cos the years are falling by the rain
It's never gonna be the same
'Til the light by you comes to my house and says

Hello, hello (it's good to be back, it's good to be back)
Hello, hello (it's good to be back, it's good to be back)
Hello, hello (it's good to be back, it's good to be back)
Hello, hello, hello

WONDERWALL

Today is gonna be the day
That they're gonna throw it back to you
By now you should have somehow
Realised what you gotta do
I don't believe that anybody feels the way that I do
About you now

Back beat, the word is on the street that the fire in your heart is out
I'm sure you've heard it all before but you never really had a doubt
I don't believe that anybody feels the way that I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
But I don't know how

Because maybe you're gonna be the one that saves me
And after all you're my wonderwall

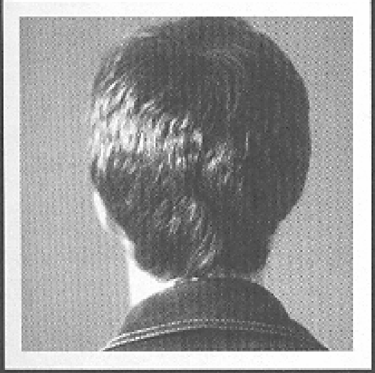
Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realised what you're not to do
I don't believe that anybody feels the way that I do
About you now

And all the roads that lead you there are winding
And all the lights that light the way are blinding
There are many things that I would like to say to you
But I don't know how

Because maybe you're gonna be the one that saves me
And after all you're my wonderwall

I said maybe you're gonna be the one that saves me
And after all you're my wonderwall

I said maybe you're gonna be the one that saves me
You're gonna be the one that saves me



ROLL WITH IT

You gotta roll with it, you gotta take your time
You gotta say what you say, don't let anybody get in your way
'Cause it's all too much for me to take

Don't ever stand aside, don't ever be denied
You wanna be who you'd be if you're comin' with me
I think I've got a feelin' I've lost inside
I think I'm gonna take me away and hide
I'm thinkin' of things that I just can't abide

I know the roads down which your life will drive
I'll find the key that lets you stop inside
Kiss the girl she's not behind the door
But you know I think I recognise your face
But I never seen you before

You gotta roll with it, you gotta take your time
You gotta say what you say, don't let anybody get in your way
'Cause it's all too much for me to take

I know the roads down which your life will drive
I'll find the key that lets you stop inside
Kiss the girl she's not behind the door
But you know I think I recognise your face
But I never seen you before

You gotta roll with it, you gotta take your time
You gotta say what you say, don't let anybody get in your way
'Cause it's all too much for me to take

Don't ever stand aside, don't ever be denied
You wanna be who you'd be if you're comin' with me
I think I've got a feelin' I've lost inside
I think I've got a feelin' I've lost inside

DON'T LOOK BACK IN ANGER

Slip inside the eye of your mind
Don't you know you might find a better place to play
You said that you never been
But all the things that you've seen slowly fade away

So I must start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, summertime's in bloom
Stand up beside the fireplace, take that look from off your face
You ain't ever gonna burn my heart out

And so Sally can wait, she knows it's too late
As we're walking on by
Her soul slides away,
But don't look back in anger, I heard you say

Take me to the place where you go
Where nobody knows if it's night or day
But please don't put your life in the hands
Of a rock'n'roll band who'll throw it all away

I'm gonna start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, 'cause summertime's in bloom
Stand up beside the fireplace, take that look from off your face
'Cause you ain't never gonna burn my heart out

And so Sally can wait, she knows it's too late
As we're walking on by
Her soul slides away,
But don't look back in anger, I heard you say

So Sally can wait, she knows it's too late
As we're walking on by
Her soul slides away,
But don't look back in anger, I heard you say

So Sally can wait, she knows it's too late
As we're walking on by
Her soul slides away,
But don't look back in anger,
Don't look back in anger I heard you say
It's not too late

HEY NOW

I hitched a ride with my soul by the side of the road
Just as the sky turned black
I took a walk with my fame down memory lane
I never did find my way back

You know that I gotta say time's slippin' away
What will it hold for me?
What am I gonna do while I'm lookin' at you?
You're standing ignoring me

I thought that I heard someone say now
There's no time for running away now
Hey now, hey now

Feel no shame
'Cause time's no chain
Feel no shame

The first thing I saw
As I walked through the door
Was a sign on the wall that read
It said you might never know
That I want you to know
What's written inside of your head

And time as it stands
Won't be held in my hands
Or living inside of my skin
And as it fell from the sky
I asked myself why
Can I never let anyone in?

I thought that I heard someone say now
There's no time for running away now
Hey now, hey now

Feel no shame
'Cause time's no chain
Feel no shame

Feel no shame
'Cause time's no chain
Feel no shame

I hitched a ride with my soul by the side of the road
Just as the sky turned black
I took a walk with my fame down memory lane
I never did find my way back

You know that I gotta say time's slippin' away
What will it hold for me?
What am I gonna do while I'm lookin' at you?
You're standing ignoring me

I thought that I heard someone say now
There's no time for running away now
Hey now, hey now, hey now
Hey now, hey now, hey now, hey now
Hey now, hey now, hey now
Feel no shame
'Cause time's no chain
Feel no shame
'Cause time's no chain

SOME MIGHT SAY

Some might say that sunshine follows thunder
Go and tell it to the man who cannot shine
Some might say that we should never ponder
On our thoughts today 'cause they hold sway over time

Some might say we will find a brighter day
Some might say we will find a brighter day

'Cause I've been standing at the station in need of education in the rai
You made no preparation for my reputation once again
The sink is full of fishes, she's got dirty dishes on the brain
It was overflowing gently, it's so elemen'try my friend

Some might say they don't believe in heaven
Go and tell it to the man who lives in hell
Some might say you get what you've been given
If you don't get yours I won't get mine as well

Some might say we will find a brighter day
Some might say we will find a brighter day

'Cause I've been standing at the station in need of education in the rai
You made no preparation for my reputation once again
The sink is full of fishes, she's got dirty dishes on the brain
And my dog's been itching, itching in the kitchen once again

Some might say, some might say
You know what some might say
You know what some might say

CAST NO SHADOW

Here's a thought for every man
Who tries to understand what is in his hands
He walks along the open road of love and life
Arriving if he can

Bound with all the weight of all the words he tried to say
Chained to all the places that he never wished to stay
Bound with all the weight of all the words he tried to say
As he faced the sun he cast no shadow

As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride
As he faced the sun he cast no shadow

Here's a thought for every man
Who tries to understand what is in his hands
He walks along the open road of love and life
Arriving if he can

Bound with all the weight of all the words he tried to say
Chained to all the places that he never wished to stay
Bound with all the weight of all the words he tried to say
As he faced the sun he cast no shadow

As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride

As he faced the sun he cast no shadow
As he faced the sun he cast no shadow
As he faced the sun he cast no shadow

SHE'S ELECTRIC

She's electric,
She's in a family full of eccentrics
She's done things I've never expected
And I need some time
She's got a sister
And God only knows how I've missed her
And on the palm of her hand is a blister
And I need more time

And I want you to know I've got my mind made up now
But I need more time

And I want you to say, do you know what I'm saying?
But I need more, 'cause I'll be you and you'll be me
There's lots and lots for us to see
Lots and lots for us to do
She is electric, can I be electric too?

She's got a brother
We don't get on with one another
But I quite fancy her mother
And I think that she likes me
She's got a cousin
In fact she's got 'bout a dozen
She's got one in the oven
But it's nothing to do with me

And I want you to know I've got my mind made up now
But I need more time

And I want you to say, do you know what I'm saying?
But I need more, 'cause I'll be you and you'll be me
There's lots and lots for us to see
Lots and lots for us to do
She is electric, can I be electric too?
Can I be electric too?
Can I be electric too?
Can I be electric too?

MORNING GLORY

All your dreams are made
When you're chained to the mirror with your razor blade
Today's the day that all the world will see
Another sunny afternoon
Walking to the sound of my favourite tune
Tomorrow never knows what it doesn't know too soon

Need a little time to wake up
Need a little time to wake up, wake up
Need a little time to wake up
Need a little time to rest your mind
You know you should, so I guess you might as well

What's the story, Morning Glory?
Well, you need a little time to wake up, wake up
Well, what's the story, Morning Glory?
Well, you need a little time to wake up, wake up

All your dreams are made
When you're chained to the mirror with your razor blade
Today's the day that all the world will see
Another sunny afternoon
Walking to the sound of my favourite tune
Tomorrow never knows what it doesn't know too soon

Need a little time to wake up
Need a little time to wake up, wake up
Need a little time to wake up
Need a little time to rest your mind
You know you should, so I guess you might as well

What's the story, Morning Glory?
Well, you need a little time to wake up, wake up
Well, what's the story, Morning Glory?
Well, you need a little time to wake up, wake up

Well, what's the story, Morning Glory?
Well, you need a little time to wake up, wake up
Well, what's the story, Morning Glory?
Well, you need a little time to wake up, wake up

CHAMPAGNE SUPERNOVA

How many special people change?
How many lives are living strange?
Where were you while we were getting high?
Slowly walking down the hall, faster than a cannon ball
Where were you while we were getting high?
Some day you will find me caught beneath the landslide
In a Champagne Supernova in the sky
Some day you will find me caught beneath the landslide
In a Champagne Supernova, a Champagne Supernova in the sky

Wake up the dawn and ask her why
A dreamer dreams, she never dies
Wipe that tear away now from your eyes
Slowly walkin' down the hall, faster than a cannon ball
Where were you while we were getting high?

Some day you will find me caught beneath the landslide
In a Champagne Supernova in the sky
Some day you will find me caught beneath the landslide
In a Champagne Supernova, a Champagne Supernova

'Cause people believe that they're gonna get away from the summer
But you and I, we live and die
The world's still spinning round, we don't know why
Why, why, why, why

How many special people change?
How many lives are living strange?
Where were you while we were getting high?
Slowly walking down the hall, faster than a cannon ball
Where were you while we were getting high?

Some day you will find me caught beneath the landslide
In a Champagne Supernova in the sky
Some day you will find me caught beneath the landslide
In a Champagne Supernova, a Champagne Supernova

'Cause people believe that they're gonna get away from the summer
But you and I, we live and die
The world's still spinning round, we don't know why
Why, why, why, why

How many special people change?
How many lives are living strange?
Where were you when we were getting high?
We were getting high
We were getting high
We were getting high
We were getting high
We were getting high

Take me to the place where you go
Where nobody knows if it's night or day
But please don't put your life in the hands
Of a rock 'n' roll band who'll throw it all away.

I'm gonna start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside 'cause summertime's in bloom
Stand up beside the fireplace, take that look from off your face
'Cause you ain't never gonna burn my heart out.

Verse 2:
The first thing I saw
As I walked through the door
Was a sign on the wall that read
It said you might never know
That I want you to know
What's written inside of your head.

And time as it stands
Won't be held in my hands
Or living inside of my skin
And as it fell from the sky
I asked myself why
Can I never let anyone in?
